

Frequently Asked Questions about Women In Power

Q: When should I register?

A: We recommend that you register as soon as you decide to do the program. Although we take registrations up until the week before if space is available, our programs generally fill up with a waiting list.

Q: What is your cancellation policy?

A: We offer a full refund less \$45 (£50) administration fee if you cancel at least a month before the program starts. If you cancel between 2 weeks - one month before the program starts, you receive a refund of one-half of the program fee. If you cancel within 2 weeks of the program, no refund.

Q: Will you hold a space for me with a deposit?

A: Payment in full is required to hold your space for U.S. programs, unless you make arrangements with our Registrar for a payment plan. Space in U.K. programs may be reserved with a deposit.

Q: Do you offer a payment plan?

A: Payment in full is required before the program starts. If you want to stretch out your payments, here's how we do it. Divide the program fee into as many checks as you wish. Put the date on each check when you want us to deposit that check. Send all of your checks with your registration form to our Registrar. We commit to hold your checks until the date you specify. However, please note that the final payment must be dated no later than one week before the program starts unless approved by the Registrar to be extended for a longer period of time.

Q: Do you take credit cards?

A: For Women In Power programs in the United States, we offer the option of paying with a check or with a credit card through the PayPal link on our website. This is a secure transaction. In the United Kingdom, payment may be made by cheque or bank transfer.

Q: How do I register?

A: To register, send the registration form with your payment to our Registrar. Please note that we have different Registrars for U.S. and U.K. programs. Please contact our Registrar for any questions about registration, program questions or payment plans. For U.S. programs, you may also use the PayPal link to register.

Q: What do you mean by rustic accommodations?

A: We have discovered that the healthy predator in us thrives in the sensate realm. She is especially revitalized being in the natural world, touching and smelling the living earth, feeling the winds, breathing fresh air, hearing the calls of birds, rustlings of trees. At most of the Women in Power sites, all the women are camping out. We are breaking the mold of our daily routines to discover destructive forces that are running us. Camping gives each woman her own personal space—her den, for deeper listening, not only to the elements, but to her own heart, mind and soul messages. We encourage you to lay down your past experiences or ideas about "camping" to sleep closer to the belly of the Great Mother and to your own soul cries. We expect you to bring camping gear to keep you warm and comfortable. This may stretch you. Sleeping outdoors at Women In Power is not set up to pit your body against the elements. It's to awaken our whole being wisdom to deeper knowing beyond the familiar.
